2016 IFMA Muaythai World Championship

19 - 29th of May 2016

Dear President & General Secretary,

We are pleased to invite you to participate in the 17th IFMA Muaythai World Championships which will be held from 19-29 May 2016. The event will be held in the Kinnarps Arena in one of the most beautiful cities in Sweden, Jönköping.

Muaythai is a martial art in which ancient traditions and values play an important role, and muaythai is a world recognised sport as a member of SportAccord, FISU, IWGA and AIMS. The 17th IFMA World Championships is an official qualifier for the 2017 World Games, an important event on the world sport calendar with the full support and patronage of the IOC.

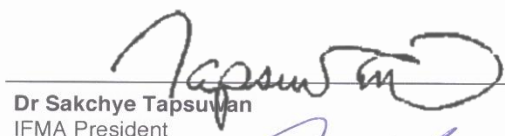

Following IFMA tradition, the 17th World Championships will be more than just a sport event, but also an opportunity for cultural exchange and sport development through the various meetings, workshops, conferences and exhibitions which will take place throughout the 10 days in Jönköping.

Sweden and the City of Jönköping is ready to welcome you and open their home to all visitors from all five continents - VIPs, Officials and most importantly the athletes. We wish you all an unforgettable time.

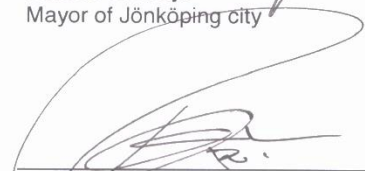

You will find more info, registration forms for teams and spectators on our webpage, www.MuaythaiWC2016.com.
